

Dear Bogert Families,

It is time for our annual American Heart Association's Kids Heart Challenge™ (OCTOBER 23-OCTOBER 30)!

By participating in the Kids Heart Challenge, children will learn about taking care of their hearts, participate in cardio-pumping challenges, and be given a chance to raise awareness and funds to help kids with special hearts to make all communities healthier.

Your family can learn the lifesaving steps to Hands Only CPR by completing Finn's Mission. Plus, our school can earn NEW Physical Education equipment!

You can start today to enjoy educational, fun, online experiences. Everything can be done easily online with the Kids Heart Challenge app. Visit www.heart.org/KHC or <http://www2.heart.org/goto/EdithBogertElementarySchool>

The American Heart Association is excited to extend our work with the NFL to support improving health outcomes at home and beyond through the Hands-Only CPR education.

Students that complete Finn's Mission will earn an entry for two tickets to Super Bowl LIX in 2025.

Your school will be entered to receive a \$10,000 fitness equipment makeover for every 18 completed Finn's Mission.

Create your own Heart Hero Headquarters and complete Finn's Mission!
