Subject: 8th Grade Overnight Trip

To:

8th Grade Parents,

We would like to announce plans for this year's 8th grade overnight trip! As you may know, last year's trip to Washington D.C. (*our first*) was an excellent experience for our students and we are excited to offer the same to this graduating class.

The Washington D.C. trip will offer a robust itinerary including sightseeing, museum walks and theater over the course of three days and two nights. Needless to say, we recognize you will need an abundance of information to decide whether your child will attend. Therefore, we are offering **two parent information sessions** (*see dates/times below*). During these sessions, we will present details pertaining to the trip and answer any questions you may have. The sessions are helpful, but not mandatory, and will be followed-up with multiple emails that will include all of the necessary information.

In the meantime, the trip dates and *approximate* cost is as follows:

- The dates of the trip are May 27th-29th.
- The all-inclusive cost to parents will be *approximately* \$565 (*meals included*)

### **INFORMATION SESSIONS**

- I. January 22nd at 10 am
- II. January 23th at 5:30 pm

We are enthusiastic about creating a great experience for the students and look forward to maintaining consistent, informative communication with you.

Sincerely,

Jim McCusker  
Principal
