

Parent Access to Online Report Cards

Genesis, the student information system used by Upper Saddle River Schools, offers many features to improve school to home communication. As we implement new features, we will be informing parents of the new feature and how to use it. We are pleased to announce that we will be implementing the Grading feature of the online portal.

Cavallini parents will see a grid showing their child's marking period grades and have a link to open a printable version of their child's report card.

Bogert and Reynolds parents will be given access to their child's marking period report card.

To access grading:

- 1) Please log on to the Genesis Parent portal from <https://genesisparents.usrschoolsk8.com>
- 2) Click on the Grading tab

- 3) A. Cavallini Parents will see a grid of their child's marking period grades and a link to open a printable pdf of their child's report card

[Please click here to view the MPI form for](#) [in Emil A. Cavallini Middle School.](#)

| Course | Sem | School | Teacher | MP1 | MP2 | MP3 | MP4 | Att. | Earned |
