

Reynolds World Read Aloud Song  
by Ms. Goralski's 2<sup>nd</sup> Grade Enrichment Students  
(Music from Katy Perry's song Firework)

Do you ever feel like your life's a bore?  
Then pick up a book and start reading more

Do you ever feel, so lost in the crowd?  
Then it's time for you to hear a Read Aloud

Do you ever feel ready to turn and talk  
To a partner sharing thoughts about a great new book?

Do you know that, excitement waits for you  
'Cause there's a book for you

You just gotta pick up a book and take a look  
Just turn the page, you will be amazed

*Come on Reynolds let's all read  
'Cause we are all readers  
Pick up those books, books, books  
And read across the page, page, page*

*Come on Reynolds let's all read  
'Cause students learn so much from books  
They make you go oh, oh, oh  
Cause we're crazy about books, books, books*

You should always feel like you've done your best  
You're a thinker, ready to ace the test

If you only knew, how much you could learn  
Just pick up a book, knowledge is what you'll earn

Maybe the reason why all the books are here  
So you could open one that leads you to an awesome world  
Like a rocket ship, your heart will soar  
And when you read, you'll know

You just gotta pick up a book and take a look  
Just turn the page, you will be amazed

*Come on Reynolds let's all read  
'Cause we are all readers  
Pick up those books, books, books  
And read across the page, page, page*

*Come on Reynolds let's all read  
'Cause students learn so much from books  
They make you go oh, oh, oh  
Cause we're crazy about books, books, books*

Read, Read, Read  
Every day and you'll learn, learn, learn  
Reynolds Rockets launching up, up, up  
And now it's time to succeed...eed...eed

*Come on Reynolds let's all read  
'Cause we are all readers  
Pick up those books, books, books  
And read across the page, page, page*

*Come on Reynolds let's all read  
'Cause students learn so much from books  
They make you go oh, oh, oh  
Cause we're crazy about books, books, books*

Read, Read, Read  
Every day Reynolds students learn, learn, learn  
Read, Read, Read  
Every day Reynolds students learn, learn, learn
