Dear Parent(s)/Guardian(s),

The Upper Saddle River Police Department will be at Bogert School on Thursday, October 11th, 2018 (Picture Day) conducting a child registry for all Third Grade Students. Children, whose parents/guardian consent, will be photographed and the photograph and will be placed on a child identification card, which will then be turned over to the parents/guardian. In the event that a child should become missing the parent/guardian will have the card on hand to provide to local law enforcement to assist with search and recovery. Additionally, the Upper Saddle River Police Department can store the child’s information on a secured and protected database (No Internet Accessibility). Once contacted, regardless of the jurisdiction you happen to be in, the Upper Saddle River Police Department can access the information and produce missing person fliers, e-mail the photo countrywide and tie into the already successful Amber Alert System.

The Upper Saddle River Police Department has strict policies protecting the information and child registry database. Attached is the information required from your child to properly register him/her. **We request that you complete the form in its entirety and sign the consent.**

*If you are going to have your child registered, the consent form and accompanying information must be returned to your child’s classroom teacher no later than Thursday, October 4th 2018.*

*If the police department does not receive this consent form completed in its entirety by the above date we may not be able to process an I.D. Card for your child!*
