

Dear Parent or Guardian,

It's time for our American Heart Association's Kids Heart Challenge™!

By participating in Kids Heart Challenge, your child can learn about taking care of their hearts and participate in cardio-pumping challenges. They'll be given a chance to raise awareness and funds to help kids with special hearts and make all communities healthier. They'll get physical, social, and emotional wellness lessons. Plus, our school can earn NEW Physical Education equipment! ❤️

You can start today to enjoy educational, fun online experiences. Everything can be done easily online with the Kids Heart Challenge app or website www.heart.org/khc Just search for our school and join our team! 😊

Use the tools provided after you register, to Send emails, the fun eCards, texts and post social media messages to raise donations online. Tip: if you receive check donations, you can use the app to scan them and have the amount immediately added to your child's fundraising total!

3 Easy STEPS To GET STARTED:

- 1) Download FREE Kids Heart Challenge app or visit www.heart.org/KHC to join our school team & create your own Heart Hero Headquarters! ❤️
- 2) Ask your child to select a healthy challenge: Move More or Be Kind. Select the challenge when you register.
- 3) You can set a fundraising goal with your child, and use the tools provided to easily send emails to invite friends and family to support this cause.

Donations collected will help kids like Finn.

Finn was born with multiple heart defects and spent the first eight months of his life in the hospital. Finn has had 14 heart surgeries and over 18 medical procedures to give him the gift of life. Today, an energetic Finn loves to have fun.
