Dear Third Grade Families,

One of the most highly anticipated aspects of music class for third graders is the study of their first woodwind instrument: the recorder! This fun and easy instrument is an excellent tool for teaching children how to read music and begin developing the basic skills of musicianship.

Before we can get started, **all third graders** must submit the attached form to their classroom teacher by **Wednesday, September 22<sup>nd</sup>**.

**If you would like to purchase a new recorder**, please send in a check or money order (no cash please) for **\$7.50** made out to *Bogert School Student Activities* along with the signed form.

**If you already own a Peripole Baroque Soprano Halo Recorder with a neckstrap in good working condition**, you are not required to purchase a new one, but please fill out and submit the form so we know that each child has a recorder.

Please feel free to contact me if you have any questions.

Sincerely,

Mr. Philip Chen  
Vocal and Instrumental Music Teacher
