To: 8th Grade Parents

8th Grade Parents/Guardians,

It was a pleasure to see many parents attend our Washington D.C. information sessions. Below is a link to the electronic presentation that supported both meetings. If you were not able to attend and/or have any questions or concerns, please feel free to contact us at your convenience (*Main Office - Sue Doherty*).

Also below, you will find a link to a page on our website dedicated to trip information.
