to bcc: 8thGradeParents

Parents/Guardians,

We are looking forward to **Thursday's Back-to-School Night!** While we, of course, wish it could be in-person, we do have an exciting plan to replicate the evening remotely. Please see the attached schedule, along with the following instructions on how to access all of your child's teacher presentations.

The program kicks-off at 6:45 pm with a principal's welcome address and presentations from the PTO and USREF. We will then proceed through the eight (8) period day following the attached time schedule. **You will need to access your child's schedule in Genesis to see which teacher he/she has each period.** You will then use a directory of Zoom links (*to be sent separately*) to access each session.

If you are not familiar with the process of accessing your child's schedule in Genesis, please follow the attached instructions or ask your child for assistance. Of course, you can always call us for help as well.

See you on Thursday!
