Dear Parents/Guardians,

The Upper Saddle River School District is pleased to announce general education openings in the three year old and four year old Integrated Preschool program. Applications are now available for the September 2019 program. One is attached for your convenience.

The Integrated Preschool Program is a nursery school program that incorporates the education of special education children with that of general education preschoolers. It will be held at Reynolds School. Special education students are placed in the program through an evaluation process performed by the Special Services Department.

All children in the program attend five half days a week. The schedule for the AM class is 8:30 to 11:00 AM and the PM class is from 12:15 to 2:45 PM.

The openings will be offered, based on a lottery system, by April 15, 2019. The current tuition is $3,750.00. The tuition for the 2019-2020 school year will be determined in June, 2019.

Additional applications for general education students may be obtained on the district website: www.usrschoolsk8.com. You may also call Reynolds School at 201-961-6300 to request an application by mail.

To be eligible, a general education student must be three (3) years of age or four (4) years of age on or before October 1, 2019. A birth certificate, copy of immunizations and proof of residency will be required of those students admitted to the program. The closing date for all applications will be December 7, 2018. Please contact Mrs. Maureen Van Blarcom, Child Study Team secretary, 201-961-6385, if you have any questions about the program.

Sincerely,

Devin Severs, Principal
