Dear Parents/Guardians,

The Upper Saddle River School District is pleased to announce general education openings in the three year old and four year old Integrated Preschool program. Applications are now available for the September, 2025 program. One is attached for your convenience.

The Integrated Preschool Program is a nursery school program that incorporates the education of special education children with that of general education preschoolers. It will be held at Reynolds School. Special education students are placed in the program through an evaluation process performed by the Child Study Team.

All children in the program attend five half days a week. The schedule for the AM class is 8:00 to 10:30 AM and the PM class is from 12:00 to 2:30 PM.

The general education openings will be offered, based on a lottery system, by January 10, 2025. If your child is currently attending the program, he/she is automatically enrolled for the next school year and there is no need to fill out a new application. The current tuition is \$3,750.00, billed quarterly. The tuition for the 2025-2026 school year will be determined in June, 2025.

Additional applications for general education students may be obtained on the district website: www.usrschoolsk8.com. You may also call Mrs. Van Blarcom, Child Study Team Secretary, at 201-961-6385 to request an application by mail.

To be eligible, a general education student must be three (3) years of age or four (4) years of age on or before October 1, 2025. A birth certificate, copy of immunizations and proof of residency will be required of those students admitted to the program. The closing date for all applications will be December 6, 2024. Please contact Mrs. Van Blarcom at 201-961-6385 if you have any questions about the program.

Sincerely,

Devin Severs, Principal
